[REDACTED]

[REDACTED]

*Please, take into account that students have to be enrol in their 3rd or 4th course of their undergraduate degree at the home institution

- Degree at the UGR (undergraduate)

- Mobility period

Your candidates have to complete the on-line application here:

https://oficinavirtual.ugr.es/apli/intercambio/alumnos_in/index.html

If your student(s) want to register master courses **from one or even from different Master Programme(s) together with the corresponding undergraduate courses**, please take into account the following information:

- **The on-line application has to be filled in choosing “Grado” and “Faculty/School” name**
- The main academic offer (main undergraduate programme and its courses) has to be recorded in the on-line application
- The rest of the courses (postgraduate courses), has to be included in a Learning Agreement document for its approval by the corresponding Coordinator **out of the on-line system** (according with the instructions provided by the UGR **International School for Postgraduate Studies**). In any case, the full name of both, the Master Programme and the desired course have to be provided
- The **number of credits permitted** for students registering an undergraduate programme is **up to 6 ECTS credits if the length of stay is one term or up to 12 ECTS credits if the length of stay is full year**
