- **1st semester (Winter):** From beginning of September to beginning of February.
- **2nd semester (Spring):** From beginning of February to beginning of July.

The most updated academic calendar is [here](#) (2024/25 calendar not available yet)

- **For the 1st. semester:** Nominations **before June 1st.**
- **For the 2nd. semester:** Nominations **before December 1st.**

Days after the nomination, **students will receive a Registration Guide with all pertinent information.**

- **For the 1st. semester:** Registration **before June 15th.**
- **For the 2nd. semester:** Registration **before December 15th.**

Registration will be done by the students, through our online platform (information will be sent to nominated students). They will need to collect the following documents:

- ID / Passport copy.
- Transcript of records.
- Insurance coverage letter and payment receipt, according to the instructions from the Registration Guide.
- Learning Agreement signed, at least, by student and home coordinator.

Up to 4 weeks after the correct registration, students will receive a **Letter of Acceptance** and our International Guide with information about next steps to follow, accommodation, transportation, university services, ...

Our academic offer, as well as subjects offered, including those in English and English

Friendly, can be found [here](#).

There is not a language certificate requirement in order to study in our Faculties. However, **we strongly recommend to have, at least, a B1 level of Spanish** and, in case the students follow courses taught in English, also a B1 level of English. Otherwise, they may not be able to complete the courses successfully.
