Deadlines for	30 April (1 st semester of full year); 30 September (2 nd semester only)		
nomination	Nominations should be sent to int_etsiccp@upnvet.upv.es		
Deadlines for	15 May (1st semester of full year); 15 October (2nd semester only)		
application	This is the deadline in which students should have uploaded all the required documents		
Language of	Bachelor level: mostly Spanish, only 1 course in English		
instruction	Master's degree: Spanish and partly English (only in the Master's degree in Civil Engineering)		
	Can I study in English?		
	In general, classes are taught in Spanish.		
	The English courses that applicants may choose from are		
	a) English courses taught in the School of Civil Engineering		
	http://www.cam.upv.es/web/?idm=en > upper menu > International > Erasmus&Exchange students > Classes taught in English		
English courses	b) English courses taught in the School of Building Engineering (different faculty, but also		
	teaching in Erasmus study area "732 Building and Civil Engineering"		
	http://www.etsie.upv.es/en/internacional/incoming/		
	Incoming students should not expect to take any English course from any other UPV faculty. Once		
	you are at UPV, it <u>might</u> be possible to add a course from a different faculty, but remember:		
	Students may select a <u>maximum of 12 ECTS out of 30 ECTS</u> (per semester) from courses		
	offered by a UPV faculty different from the faculty of enrolment		
	• Enrolment in courses taught in a faculty different from the faculty of admission requires a		
	double OK (from both faculties); Some faculties (or degrees) might have restrictions for		
	students coming from other study areas.
