Before starting your course selection, please note the following points:

- France, like all European Union member states, is using the ECTS grading system, the *European Credit Transfer and Accumulation System*. Credits are called **ECTS** credits.
- As a general rule, **for French students**:

1 term	30 ECTS
2 terms (Full Academic Year)	60 ECTS

- As an exchange student, you are allowed to take as many ECTS as you wish/term (no minimum, no maximum), depending on your home university requirements.
- As an exchange student, you have access to all courses at the FGES, regardless the field or the academic year.
- If you are French speaker and wish to enroll courses in French language, please visit our [Website](#).
- **Lectures** (*Cours Magistraux* in French) are courses taught in amphitheatres and **Tutorials** (*Travaux Dirigés – TD –* in French) are seminars (courses taught in smaller groups).

All potential changes are marked in red in the document.
