## ACCOMODATION

### STUDENT RESIDENCES

These residences are usually taken up by full year students and students coming only for 1 semester might not be able to find accommodation here easily.

Availability enquiries and reservations need to be carried out directly with the dormitories/residences, so please proceed here: [STUDENT RESIDENCES](#)

### RENTED AND SHARED APARTMENTS IN THE CITY

The private sector is the most popular accommodation option for our international visitors. We strongly recommend to visit the places before paying for any deposit or signing any contract (fraud has been detected in some online accommodation advertisements). Therefore, even if it might sound unsettling to arrive without a final place to live, we advise the students to visit as many rooms/flats as necessary before they make their choice.

We recommend booking a temporary place to stay during your first 3-4 nights in the city: [FIRST NIGHTS IN THE CITY](#)

Upon arrival, it is important to visit our **Help Centre's** so they might help you to have a look at the list, contact the owners and organize student's agenda to visit the flats during your first days in the Basque Country. Our accommodation service incorporates a flats database, ["OSTATU"](#), which the students can already browse from home.

### Average monthly expenses:

ACCOMMODATION	350-500 euros
FOOD	250-300 euros

OTHER EXPENSES	100 euros
<b>TOTAL MONTHLY ALLOWANCE</b>	<b>700-900 euros</b>
