Erasmus Studies Programme - Incoming students

Specific Information for Students

If you want to study at the university of Valencia with the Erasmus Programme, the first step is to check if there is a bilateral agreement between your home university and the University of Valencia in the field of your degree. Otherwise, you cannot come as an Erasmus student, because **freemover/visiting students are not accepted**.

Requirements

Between both your home university and the Universitat de València there should be a bilateral agreement in the field you wish to study in Valencia.

Your home university must send us your nomination, confirming us that you have been granted the status of an Erasmus student.

Application

After receiving your nomination, the international relations office will check if you can be accepted according to our bilateral agreement and send you an e-mail with your password. Thus you will be able to fill in the online application form and upload the following documents:

- Passport or identity card
- European Health Insurance Card or a private medical insurance covering the full length of your stay in Spain

After being accepted, incoming students will receive an email with their login-code and the instructions to fill in the online application form. This should be done within 30 days after the reception of the email.
