Exchange Incoming Students will be able to download and print a digitally created document via their personal student account with the current date on it up to the last day of the registered semester at the latest.

The document is officially valid without a signature. We don't stamp and sign it in addition and we won't send it by mail, except of "special Transcripts" from the faculty beside the official ToR. This shall protect the environment and save us postage.

If there is something missing in the ToR after the semester ended, just let us know and we will take care of it as soon as possible.

If there are any doubts in the correctness of the content of the ToR, please contact the International Office of AUAS for a confirmation: International Office international@hs-augsburg.de
